*Meet Yourself in Truth*

**We are delighted to announce this online program, comprising of 4 sessions (to 6 sessions), offering you an opportunity to experience our retreat work within a small, closed group.**

## **What will this self-enquiry program look like?**

You will be part of a closed group (max 6 participants) and will experience first-hand the work of self-enquiry on a deeper level. Using our HOW model (Honesty, Openness and Willingness), offer yourself an opportunity to open up to the possibility of an alternative way of being. To free yourself from unwanted limiting beliefs and emotional wounds, that may be holding you back from enjoying an enriched and more fulfilling life.
